Dear Mr. Minister,

I am writing to seek your invaluable support to the candidacy of Captain Hüseyin Cahit YALÇIN, who is an experienced seafarer in the international area and Counsellor to Undersecretary of Maritime Affairs of the Republic of Turkey, for the post of Chairman of the "Memorandum of Understanding on Port State Control in the Mediterranean Region (MED MoU)".

As you know, the MED MoU was established on 8-11 July 1997 in Valetta/Malta with the signature of representatives from Turkey, Algeria, Egypt, Israel, Malta, Morocco, Tunisia, and Greek Cypriot. Late 1997 the MED MoU was signed by Lebanon and in July 1999 by Jordan. Its Secretariat is located in Alexandria/Egypt.

Turkey is a founding member of MED MoU and willing to put great efforts towards promoting its prestige among the MoUs in the world.

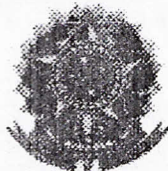

The 12<sup>nd</sup> Committee Meeting of the MED MoU will be held on 8-10 December 2010 in Valletta/Malta and election for the Chairman position will be carried out. We know that the Acting Chairman, Mr. Lino Carmel Vassallo from Malta, will not stand as candidate in the forthcoming election.

In this regard, I attach the curriculum vitae for YALÇIN and warmly commend to you his candidacy for this extremely important position. I also take this opportunity to extend to you personally the assurances of my highest consideration.

**Subject: Mr. Roberto Blois candidature for ITU Secretary-General Office.**

Mr. Yildirim,

As it is known, the Plenipotentiary Conference is the highest instance of the International Telecommunications Union – ITU, which is held each four years, and has, among others, the task to elect the five ITU Head Officers (Secretary-General, Deputy Secretary-General, and Directors of Radiocommunication, Telecommunication Standardization and Telecommunication Development Bureaus).

For the ITU's Secretary-General elections, which will take place on this coming Plenipotentiary Conference, in Antalya – Turkey, in November 2006, Brazil has appointed the Engineer Roberto Blois Montes de Souza currently ITU Deputy Secretary-General.

The Candidate's *Curriculum Vitae* (copy attached) reveals his large experience in the telecommunications sector and significant international work, both earned from the activities he performed, first, in this Ministry, later in the Inter-American Telecommunications Commission, and for the past seven years in ITU itself, facts that confirm his skills to run for the above mentioned Office.

Therefore, I would deeply appreciate to rely on the key support of your Country's administration to elect Mr. Roberto Blois.

Sincerely,

HÉLIO COSTA
